Conditions of Booking

Behaviour Management

At Holy Family OSHC all children are expected to follow the Centre's rules and guidelines. These are posted up on the information board in the Centre. In the event that rules are broken, reasonable consequences will follow. In the case of a disruptive child, the Director will discuss the issue with the parents or caregivers. Please note: The Centre reserves the right to terminate enrolment if inappropriate behaviour continues after reasonable measures have been taken to involve the child positively.

When we go on excursion, we are representing Holy Family School and therefore it is an expectation that the children behave in a safe manner.

Our policy on excursions is that in the event of inappropriate behaviour that may pose a safety risk to the child concerned or any other child at the service exclusion from excursion activities may result. If this behaviour occurs whilst on excursion you will need to collect your child from the excursion venue.

Excursion and Incursion

At Holy Family OSHC all children must have parental consent to attend the excursions and incursion. A parental consent form must be signed prior the excursion and/or incursion. **Please collect the consent form for bookings made for an excursion or incursion day from the OSHC office.**

Cancellations

Please note that cancellations must be notified by 3pm the previous day. If we are not informed of an absence and/or by the required time, the session fee will apply.
