Conditions of Booking

Behaviour Management

At Holy Family OSHC all children are expected to follow the Service's rules and guidelines. These are posted up on the information board in the Service. If rules are broken, reasonable consequences will follow. In the case of a disruptive child, the Director will discuss the issue with the parents or caregivers.

Please note: The Service reserves the right to terminate enrolment if inappropriate behaviour continues after reasonable measures have been taken to involve the child positively.

When we go on excursion, we are representing Holy Family Catholic School and therefore it is an expectation that the children behave safely.

Our policy on excursions is that in the event of inappropriate behaviour that may pose a safety risk to the child concerned or any other child at the service exclusion from excursion activities may result. If this behaviour occurs whilst on excursion, you will need to collect your child from the excursion venue.
